

# SteelTailor™ Portable CNC Cutting Machines

**F4**  
Friendly 4

## SteelTailor™ Power II

Upgraded

ISO14000  
ISO9001:2008 CE

## SteelTailor™ POWER II Series

The original portable CNC cutting machines  
Plasma and flame, compatible  
Arc voltage and capacitive sensing THC  
Standard effective cutting area: 1300mm x 2000mm  
Can be extended to Maximum: 1500mm x 15000mm

↓ **Can be wider?**

## SteelTailor™ Valiant 2.0

ISO14000  
ISO9001:2008 CE

## SteelTailor™ VALIANT 2.0 Series---Patented

Optimized structure  
More rigid and stable  
Plasma and flame, compatible  
Automatic torch height control  
Standard effective cutting area: 1800mm x 3000mm  
Can be extended to Maximum: 2000mm x 15000mm

↓ **Still not wide enough?**

## SteelTailor™ Dragon I

ISO14000  
ISO9001:2008 CE

## SteelTailor™ DRAGON I series---Patented

Portable design but gantry performance  
Plasma and flame, compatible  
Automatic torch height control  
Standard effective cutting area: 2500mm x 3000mm  
Can be extended to Maximum: 3500mm x 15000mm

## SteelTailor™ Dragon II

ISO14000  
ISO9001:2008 CE

## SteelTailor™ DRAGON II—Newly Upgraded

Match with high-power plasma power  
For plasma and flame cutting  
Automatic torch height control  
Standard effective cutting area: 2500mm x 3000mm  
Can be extended to Maximum: 3500mm x 15000mm

## ↓ Portable Table for Industry

## SteelTailor™ Smart II

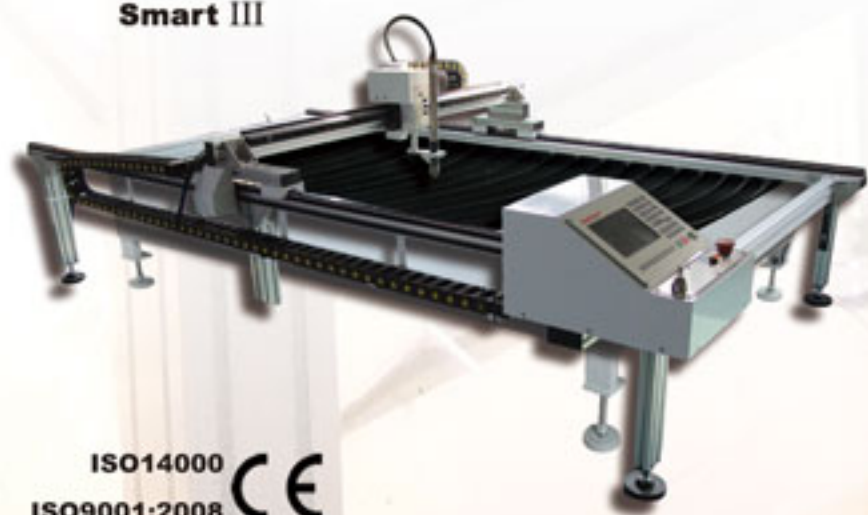

ISO14000  
ISO9001:2008 CE

## SteelTailor™ SMART II ---Patented

Everything of a table CNC and more!  
Easy assembly; easy operation, easy maintenance  
For plasma cutting  
Automatic torch height control  
Standard effective cutting area: 1300mm x 2500mm  
1500mm x 3000mm

## ↓ Portable Table, Affordable, Powerful !

## SteelTailor™ Smart III

ISO14000  
ISO9001:2008 CE

## SteelTailor™ SMART III ---Newly Patented

Dual drive stepper motors and high precision guiding rails  
Dismounting 24 screws in 1 hour  
For plasma and flame cutting  
Arc voltage and capacitive sensing THC  
Standard effective cutting area: 1300mm x 2500mm  
1500mm x 3000mm

Choose the perfect type according to your exact needs! We keep on innovating new machines to better satisfy your needs!
