

skirting profiles

Aluminium or PVC wall skirting boards to fix either with glue, screws or nails. It is easy to install for an elegant and lasting finish. The profile contoured ends give a snug fit on the wall covering over the bottom perimeter along the dilatation gap joint, thus ensuring the necessary expansion movement to the floor.

Illustrated scale dimension 1:1

skirting BA

SKIRTING BA-AS* Silver Anodised Aluminium

This anodised aluminium profile has a silver coating. Good tolerance to oxidation and to mechanical impacts.

This skirting board is also available in the self-adhesive option for a quicker installation.
